ADVERTISE in the Conference Program Book!

1,200 + farmers, consumers, gardeners, educators, and activists will use the Program Book throughout the conference and most will take it home as a reference throughout the year. The Program Book is the most successful advertising medium we offer.

NOFA/Mass conducts the seven-state Northeast Organic Farming Association's Summer Conference. The 2017 conference will mark the 43rd year for this event, packed with educational workshops, dynamic vendors and delicious organic and locally-grown food, served by the Hampshire College's award-winning chefs. Save the dates for this incredible event: August 11-13, 2017.

Each year, more than 1,200 people attend, many with their entire families. The conference typically features more than 200 workshops, a children's conference, an old-fashioned country fair, a farmers' market, a raffle, and live auction.

Stay tuned for details as planning unfolds: www.nofasummerconference.org

If you advertise in the NOFA Summer and the NOFA/Mass Winter Conference program books and pay for both at the same time, you will receive a 10% discount on the ad fees.
